Juneau Jazz & Classics board and staff is very excited about the New JACC building and look forward to the completion of the project!

Juneau Jazz & Classics intends to have offices (hopefully 2) in the new JACC and we anticipate at least 12 program rentals throughout the years. The variety of rental spaces will allow us to have smaller concerts, workshops and rehearsals in the studio space, larger concerts in the theater with the grand pianos and dance/concerts and dinners in the community space.

Advisory Board

Peter Dammann
Nancy DeCherney
The Honorable Dennis Egan
Elizabeth Evans
Sharon Gaipman
Bob Hale
Peggy Ann McConnochie
Michelle Sydeman
The Honorable Fran Ulmer

Our support has included new JACC board members to present the proposed plans at the beginning of our concerts, to have a booth in the lobby of our events and volunteering at new JACC or JAHC events.

We are looking forward to our continued mutual success in the new JACC.

Sincerely,

Reggie Schapp
Executive Director
