Your review and comment will be important to assure that the next phase of the design work, scheduled for completion in mid-May, incorporates elements which are important to you and to the future of the project.

The Partnership Board has been meeting in alliance with the JAHC, the Chamber of Commerce, Travel Juneau and the CBJ to identify common goals for a vibrant civic center—one we can all share to build a better community.

We look forward to your presence on April 29!

Sincerely,

Staff & Board of the New JACC
